

DEW JOURNAL

EDITORIAL CALENDAR 2010

January 2010 (Special Issue)

Focus: Exploration and Production; Fuels and Lubricants; Natural Gas

- Exploration and Production Technology
- Oil & Gas Production Technology, IOR, EOR, Hydraulic Fracturing, Well Stimulation, Well Testing
- Health, Safety and Environment Management in Petroleum Industry
 - Advances in Offshore/Onshore Drilling and Completion Technology
- Intelligent Well/Smart Well/Underbalanced/Multilateral/Extended Reach Drilling Technology
-

This issue will be distributed at:

1. SPE Oil & Gas India Conference & Exhibition (OGIC) to be held in Mumbai from 20-22 January 2010
2. HSE Risk Management in Oil & Gas Conference to be held in Kuala Lumpur from 26-27 January 2010
3. IADC/SPE Drilling Conference to be held in New Orleans, Louisiana, USA from 2-4 February 2010
4. NLGI Conference

February 2010 (Special Issue)

Focus: Geoscience & Remote Sensing Technology; Natural Gas

- Geophysical Services/Technology/Products
- Geological and Geochemical Services/Technology/Products
- Geospatial Technology in Exploration and Production

- Role of Remote Sensing Technology in Oil and Gas Industry

This issue will be distributed at:

1. 8th International Conference & Exposition on Petroleum Geophysics ("Hyderabad 2010") to be held in February 2010 in Hyderabad, India
2. GEO 2010 – 9th Middle East Geosciences Conference and Exhibition to be held in Bahrain from 7-10 March 2010

March 2010 (Special Issue)

Focus: Natural Gas, Refining and Petrochemical Technology & Software/IT Solutions; Natural Gas

- Gas Processing Technology
- LNG Transportation and Regasification
- Petrochemical Processing Technology/Products and Services
- Refining & Processing Technology/Products and Services
- Software/IT Solutions with reference to Midstream/Downstream oil and gas industry activities

This issue will be distributed at:

1. 16th International Conference & Exhibition on Liquefied Natural Gas to be held in Oran, Algeria from 18-21 April 2010
2. Gas Buyers Summit, New Delhi, India

April 2010 (Special Issue)

Focus: Deepwater and Subsea Technology; Natural Gas

- Deepwater and Ultra Deepwater Exploration and Development
- Subsea Engineering and Technology
- Offshore Oil & Gas Exploration and Production Technology
- Offshore/Onshore Communications

This issue will be distributed at:

1. 2010 Offshore Technology Conference – OTC.10
2. 6th Mediterranean Offshore Conference & Exhibition (MOC 2010) to be held in Alexandria, Egypt

May 2009

Focus: Support Services, Pipeline Technology and EPC Companies; Natural Gas

- Role of Vessels and Helicopters in Petroleum Exploration
- Support Services to Oil & Gas Industry Operations
- Pipeline Technology
- EPC Companies

June 2009

Focus: Analytical Equipments, Instrumentation and Control Systems and Unconventional Oil & Gas; Natural Gas

- Analytical Equipments
- Inspection/Testing/Quality Control Equipments
- Instrumentation & Control Systems
- Petroleum Retailing/Gas Pricing
- Corrosion and Cathodic Protection
- Unconventional Oil and Gas - Gas Hydrates, Coal Gasification, Gas Shales, Coal-Bed Methane (CBM), etc.

July 2009

Focus: Subsea Engineering, Reservoir Engineering & Software/IT Solutions; Natural Gas

- Subsea Engineering Technology/Services/Equipments
- National Oil Companies
- Drilling Contractors
- Formation Evaluation Services/Products/Technology
- Reservoir Engineering/Reservoir Characterization
- Software/IT Solutions with reference to Upstream Oil & Gas Industry Activities

August 2010

Focus: Well Engineering, Bit Technology and Drilling/Downhole Equipments;
Natural Gas

- Well Intervention and Control
- Well Maintenance/Construction/Well Completion Equipments/Services/Technology
- Bit Technology
- Downhole Tools/Drill Pipe
- Drilling Rig Equipments
- FPSO/ROVs/Global Positioning Systems

September 2010 (Special Issue)

Focus: Exploration and Production Technology; Natural Gas

- Advances in Exploration and Production Technology
- Oil & Gas Production Technology

This issue will be distributed at:

2010 SPE ATCE to be held in Florence, Italy from 20-22 September 2010

October 2010

Focus: Drilling Fluid, Cementing and Unconventional Oil and Gas; Natural Gas

- Drilling Fluid Engineering
- Oilfield Chemicals
- Oil and Gas Well Cementing

November 2010 (Special Issue)

Focus: Deepwater and Subsea Technology; Natural Gas

- Deepwater and Ultra Deepwater Exploration and Development
- Subsea Engineering and Technology
- Offshore Oil & Gas Exploration and Production Technology

- Offshore/Onshore Communications

This issue will be distributed at:

18th International Oil & Gas Industry Exhibition & Conference (OSEA 2010) to be held in Singapore from 30 November 2010 to 3 December 2010

December 2010

Focus: Software/IT Solutions, Education and Training; Natural Gas

- Software/IT Solutions with reference to Upstream Oil & Gas Industry Activities
- Education/Training/Consultancy/Research and Development/Legal/Security/Financial/Insurance Services Providers in Petroleum E & P Industry
